WORK EXPERIENCE

Front-End Developer (React.js)
Alright Tech Private Limited

04/2022 - 02/2023   *Rawalpindi*

Achievements/Tasks

- As a Front-End Developer at Alright Tech Private Limited for one year, I specialized in creating captivating web applications with React.js and enhancing user experiences. Collaborating with cross-functional teams, I delivered cutting-edge, client-centric front-end solutions, adhering to the highest software engineering standards.

Mern Stack
Bitsol Technologies

12/2022 - 02/2023   *Islamabad*

Achievements/Tasks

- During my three-month MERN stack internship at Bitsol, organized by PASHA, I gained hands-on experience in full-stack web development. This experience ran parallel to my role at Alright Tech, allowing me to actively contribute to the creation of robust web applications. This dual commitment highlighted my dedication to continuous learning and enriched my contributions to both organizations

Frontend Developer
Jidat It

03/2023 - Present   *Islamabad*

Achievements/Tasks

- As a dedicated Front-End Developer at Jidat It since March 2020, I've been responsible for designing and developing websites, using a versatile skill set including HTML, CSS, Bootstrap, SCSS, Tailwind CSS, JavaScript, and React.js. My expertise extends to crafting captivating user interfaces and custom WordPress themes, consistently delivering visually stunning and responsive web experiences while upholding the highest standards of web development and design
